

Creating Your Stair-Step Marketing & Product Sequence

In order to increase the value of each Prospect and Customer you attract to your business, it's important that you create a "Stair Step" Marketing & Product Sequence. What will you offer to attract leads to contact or visit you? What will you offer to get subscribers? What is the first product you'll offer? What will you offer as an upsell, and what will you offer on the "back end"?

What will you offer to generate leads and acquire subscribers?

What is the first product that your Customer should buy to start their relationship with you?

What product will you "upsell" - and what will you offer next, after someone becomes a Customer?
